#### ABOUT WOFCA

##### *Word of Faith Churches® Australia*

has been established to promote identity both at a local and at a national level for churches and ministries. Identity does not mean control. It means a knowing of importance and realisation.

##### *Word of Faith Churches® Australia*

wants you to know how important you are to the Body of Christ. We are endeavouring to show that its churches and ministries are equal together in all we do and say. This is accomplished as we continue to reach out to each other in Grace and Truth. It's important that we understand that God's value system is one of unmerited favour. Jesus said it is this way that "they would know us by our love that we have for one another". This is what drives

Dear friends

Our 8th Annual Conference is here and we would love to see you!

Our theme for 2014 is **"Reaching Higher"**! I am 100% certain that this is our endeavour – to always reach higher.

Remember, whatever you are doing for HIM – it is important! Size doesn't evaluate how important you are. It is simply faithfulness. That – and encouraging yourself every day in the Lord – is the key to enduring.

Keep your eyes fixed on your mission and don't let them look to the left or to the right to see how successful you are. Paul inspires us by saying *"don't look back – look forward"*!

Well, mates – it is by faith and grace, we continue to reach higher. Faith gives me the power to receive and Grace shows me that all has been given to me freely. What a combination! Jesus is so good.

Your friend in Christ!
