ABOUT WOFCA

Word of Faith Churches Australia has been established to promote identity both at a local and at a national level for churches and ministries. Identity does not mean control. It means a knowing of importance and realisation.

Word of Faith Churches Australia wants you to know how important you are to the Body of Christ. We are endeavouring to show that its churches and ministries are equal together in all we do and say. This is accomplished as we continue to reach out to each other in Grace and Truth. It's important that we understand that God's value system is one of unmerited favour. Jesus said it is this way that "they would know us by our love that we have for one another". This is what drives *Word of Faith Churches Australia*

Dear fellow ministers

Blessings and heaps of Faith and Grace upon you all!

Our 9th Annual Conference is here and we would love to see you there! Our theme for 2015 is **"From Grace to Grace"**!

I am always reminded by the Lord to remind myself and ministers that there is nothing big or small when it comes to what He has called us all to do. It is always about people – not numbers. At times the enemy can sow thoughts about this, like: *your ministry isn't very effective – look how many you minister to and what effect are you having on them? Your ministry hasn't grown; why don't you close and join someone else more effective?* Now don't get me wrong – there are seasons and times to all that we do in life. There are times after prayer and listening to His leading that it is right to change direction. Notice that I said, *after prayer and listening*, not after frustration and tiredness.

We are the most blessed people on the planet. Our Father has showered us with forgiveness and acceptance, no matter what we had done. Grace is for all: unmerited favour. I love pastoring and I love preaching this wonderful life of Faith and Grace that I have discovered. It truly is a treasure in a field and a pearl of great price. I am continually overwhelmed with this truth today. It will stabilize you, your family and your church. I am excited to meet with you again to embrace you in His Favour and Grace.

Your friend in Christ!

Pastor Dwight Hicks
