ABOUT US

Word of Faith Churches Australia has been established to promote identity both at a local and at a national level for churches and ministries. Identity does not mean control. It means a knowing of importance and realisation.

Word of Faith Churches Australia wants you to know how important you are to the Body of Christ. We are endeavouring to show that its churches and ministries are equal together in all we do and say. This is accomplished as we continue to reach out to each other in Grace and Truth. It's important that we understand that God's value system is one of unmerited favour. Jesus said it is in this way that "they would know us by the love we have for one another". This is what drives *Word of Faith Churches Australia*.

Dear fellow ministers

Blessings to all! Over the years I have always endeavoured to be a blessing to the Body of Christ. This thought has kept me confident in Him and I am always amazed at how the Lord works things out.

Most times, to be honest with you, I haven't had a clue. If I had, it never works out as I thought – it has always worked out better for all concerned. Jesus is not about making it only right for you, but for everyone. He is continually working it out for our best!

I know it's a common saying: *"it will be alright in the end"*. well it is as we continue to stand in faith and receive His Grace to do so.

The Apostle Paul was confident in the Lord when he said: *"If Christ be for us, who can be against us?"*. Why? Because Jesus doesn't lie! His Grace and Faith is and will always be our resting place.

Heaps of Blessings! Look forward to seeing you again!

Remember you are important to us at Word of Faith Churches Australia.

Your friend in Christ!
